

THE PRECEPT POST

What is happening on South African Soil?

Samuel Kim leads a 40 Minute study at a local township church

KHAYELITSHA

Samuel Kim, a missionary from South Korea has been involved in Precept Classes since he and his wife Sarah and family first came to South Africa seven years ago.

For the first time this year, he has been able to take a 40 Minute Study to a church that he serves in Khayelitsha. He has also been involved with another local pastor in the area helping him to get his church to dig deeper into God's Word.

We are in awe at how God has answered our prayers to reach those from the previously disadvantaged areas of South Africa and look forward to what He is yet to do through the ministry!

News from the Continent

At the beginning of June, the Kemsley's were taken to a Christian School in the slum area of Kenya.

They found that despite severe poverty and filthy living conditions, these children were dedicated, disciplined and polite!

They are being taught the gospel from a young age by dedicated teachers.

We would love to help establish these precious children in God's Word through the 'Discover 4 Yourself' studies.

Would you like to sponsor a child in the slum area with his/her own **Discover 4 Yourself Study?**

If so, Email us @

On the 1st May a local church held a training workshop hosting 28 'first timers'! The students were really excited about how to apply God's Word to their own lives.

As a result we have 2 new classes in Gaborone with a total of 27 students!

Changed Lives ...

A man from Madagascar who is studying the book of Daniel for the first time shared this testimony with us:
"God reminded me that as a believer my life should be different, and not concerned about this world and its pleasures. I have been able to forgive and my faith has grown. There are so many encouraging lessons worth being lived out in this study."
