

THE PRECEPT POST

The Kemsley's are off to KENYA

Stuart, his wife Teresa, and their three boys will be spending an extended time in Kenya from the end of May to the beginning of August. We praise God for the financial donations received so far and pray that more folks would partner with us to further establish Precept Ministries there. The people of Kenya are desperately crying out to know God's Word, to be able to discover truth for themselves.

Stuart will be meeting with pastors and church leaders, conducting training workshops and introducing the method and material to churches all across Kenya. He will also be working on setting up a small office in Nairobi so that we can more effectively provide information and resources in this region. We are excited about all that God will accomplish through this extended visit to Kenya and we continue to pray for God to go before the Kemsley family, to direct them and bless them.

If you would like to partner with us financially on this project, please contact the office.

A Life CHANGED

When people are established in the Word of God, lives are changed. A lady who recently attended the "**Lord, I Need Grace to Make It**" study shared this with us:

"Before I did the study I thought that grace was about people having free reign to do as they please – even to hurt me, and that God would let them and us off the hook if we just said "sorry!" I wrestled with this, because how could God (being the perfect parent) allow this? I didn't feel secure in God being that way.

But now I see how God IS the perfect, loving parent. I see in part that everything I am and do is because of God. The lessons learnt in the class have made it easier for me to witness to non-believers in such a simple way of what God's grace is. The course has been empowering!"

Precept Summit - Cape Town

A marvellous time was had by all at our recent Precept Summit held in Cape Town in February. We were blessed by the opportunity to train leaders, connect with our ministry partners and introduce new people to the ministry. A variety of people attended the various events, from seminary students to pastors and church leaders. One of the pastors was so excited by what he discovered at the Introduction to 40-Minute Studies, that he came into the ministry the next day to purchase studies to be used in his church! Our next Summit is coming up in PE at the end of April and we pray it will be just as fruitful so that we can reach more lives with the truth of God's Word.

Sad Goodbyes & New Beginnings

Join us in praying for *Paul Thomas*, who has played a major role in the ministry for the past 7 years, as he and his family follow the Lord's leading into new areas of ministry, and relocate to Johannesburg. Pray too for *Wendy Grages* who has faithfully served in the ministry for the last 3 years, as she steps out into new areas of ministry.

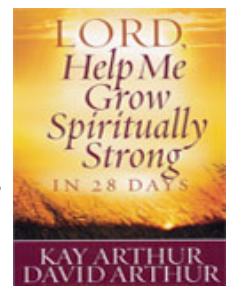

We will miss them both and all they have contributed to the building of the ministry over the years! But we thank God for having blessed us with their talents and gifting and know He will use each of them to greatly impact His Kingdom.

We would also like to welcome *Andred Hayward* and *Angela Goodrich* to the team, and thank God for His timely provision for this season of transition.

New STOCK

NISS Matthew:
'The Coming of God's Kingdom'
&
NISS Hebrews:
'The Key to Living by Faith'

Now AVAILABLE!

International News

Precept Ministries International celebrates 40 YEARS of ministry this year! Forty years ago, Precept Ministries began building a spiritual army that is being mobilized by God across the United States and 150 nations—an army built on inductive study of God's Word that transforms and equips individuals young and old to be "good soldiers of Jesus Christ."

You are part of that army! Celebrate with us this year by joining us in a prayer of thanksgiving for all God has done throughout the years.
