ISSUE 03|2011

Congratulations!

We are very pleased to announce that Andred Hayward has been promoted to Assistant National Director for Precept Ministries South Africa. Andred, our prayer for you is that of Numbers 6:24-26:

“The LORD bless you, and keep you; the LORD make His face shine on you, and be gracious to you; the LORD lift up His countenance on you, and give you peace.”

We know that you'll serve the Lord faithfully in this role.

Birthdays Kay!

A BIG THANK YOU TO EVERYONE WHO SENT BIRTHDAY WISHES FOR KAY'S 78TH BIRTHDAY IN NOVEMBER!

We know that she'll be extremely touched by the testimonies of how Precept Ministries and the inductive method have impacted your lives. Thank you also to each one who partnered financially; we've been very blessed by the response we've received.

Summits

We never fail to stand in awe when God goes to work. Summit after Summit we look back with a story of people's lives being touched, impacted and transformed as they dig deeper into God's Word using the inductive method.

From the gentleman who delivered the food for the workshop's lunch, to the mature leader who's been leading Precept studies for 19 years, everybody is impacted when God's Spirit is at work through His Word.

Make sure you don't miss out on the next Summit in your area by signing up to receive our Prayer Letter and Newsletter: email marilizev@precept.org.za.

Alternatively, keep an eye on our website for next year's Summit dates [click here](#).

This encouraged me to do what God is calling me to do. (TG)

I realized again how important it is to study the Word myself, not just read it. (LA)

Opening up the Word of God to a whole new meaning. (DC)

Great help in practical application of the various methods used. (LC)

The workshop was really valuable as it equipped me with tools to study the Bible and to get at its real meaning. (CM)

Studying a NT book has opened up a whole new way of looking at Scripture. I have found that it's really helpful to reason in the group, especially when you are not sure of interpreting what you have found. (CP)

It was a wonderful experience- first time someone has explained this process. It will be life changing to me! (RE)

I often rely on commentaries before digging out the truths for myself. This will change now for me. (NZ)

Trainers

We are very excited to have identified trainers in PE, George as well as Botswana with whom the process of training has started. Although it will take a number of years to complete, it will make workshops more readily available in these areas. To view the various workshops we offer [click here](#) or to request a workshop in your area, email Alison at workshops@precept.org.za.

“Indescribable! Felt re-energised and motivated to continue in studying the Word.”

This was one of the testimonies we received after our Regional Director, Stuart Kemsley, visited Botswana in October. The main purpose for Stuart’s visit was to facilitate further leader training as well as encouraging current leaders in establishing people in God’s Word.

Temperature reached 38°C as he arrived in Gaborone and the training started off well with 58 people attending the ‘Introduction to 40 Minute Series’ Seminar on Thursday evening.

The heatwave continued over the next two days of facilitating the ‘Precept Leader Training’ and the ‘Basics of Precept Upon Precept’ workshops.

This however, did not dampen the enthusiasm of the attendees and a total of 109 folk, of which 105 were new to Precept, attended the various training workshops. 16 of these folk have indicated interest in registering as leaders and leading Bible studies.

As the process of training a new trainer in Botswana will start in the near future, it will allow opportunity

‘This taught me how to derive benefit from studying the Bible, to slow down, read and understand and apply the Word.’ (BM)

for workshops to take place on a more regular basis resulting in new leaders being equipped to lead Bible Studies as the need arises.

‘It showed me how the Lord really wants His Word to be properly handled.’ (VN)

‘..there are so many things God reveals to all of us differently which, when put together, is amazing.

You just can’t see or realise everything on your own.’ (RM)

‘The workshop has encouraged me to go back to studying the Bible on a daily basis.’ (RA)

‘I am excited, I know my quiet time is going to be different now as I look forward to learn and hear from God’s Word.’ (BM)

Pastor Richmond Wandera

During the month of November pastor Richmond Wandera, founder of PDN (Pastor's Discipleship Network) in Uganda, came to visit Precept Ministries in Cape Town for 10 days.

The time was filled with training, planning, strategizing and much prayer as Stuart and Richmond discussed the partnership between the two organisations. We want to thank the Lord for this wonderful opportunity and we pray that He will continue to use this partnership for His glory!

“The group are appreciating the reduced homework, and liking the discussions that the text provokes. It is a more interactive format, and for a more established group, allows a lot of sharing, which they have enjoyed.” (BW)

Something that has certainly grabbed our attention during the past three months has been the demand for the free ‘Introduction to the 40 Minute Series’ Seminars.

These introductions have exploded into 16 NEW small groups starting 40 Minute Studies, impacting 181 people. A number of churches also plan to implement the 40 Minute Studies in their weekly home group meetings starting in the new year. We can really see God’s hand moving as people are introduced to the inductive method through these easy to use, discussion generating studies.

We’d like to invite you to contact the office for more information on how to organise a free 40 Minute Pilot Lesson, or if you, as leader have been impacted by the 40 Minute Series, have seen the benefits of it and would like to present a Pilot Lesson yourself, then please do get in touch with us.

Email workshops@precept.org.za for assistance and further information or
