---

## 2 | What Is Inductive Bible Study?

Inductive Bible Study is using the Bible as your primary source. You will discover Truth for yourself by using these three skills:

### OBSERVATION

In an age of speed, noise, and endless distractions, you need to slow down and focus on God's Word. Observation skills like marking, listing, and asking strategic questions will help you see and retain what the text says.

### INTERPRETATION

Careful observation enables you to discover what the text means in its context. The more accurate your observations are, the greater your understanding of God's Word.

### APPLICATION

The Creator and Author of life has chosen to show you how to live a satisfying, eternally significant life. Intentional, disciplined observation and interpretation lead you to biblical application that's life-changing!

---

## 3 | How to Choose a Bible Study

### Determine what you want from your time of study.

Everyone is busy but we make time for the things we value the most. Once you've experienced the joy and intimacy that intentional time in God's Word can bring, you'll undoubtedly want more. Precept's Inductive Bible Studies come in many formats to suit the time you can invest.

### Decide your area of study.

Ask God for direction for your study and for your small group, if you lead one. Interested in a specific topic, a broad survey or an in-depth study of an entire book of the Bible? Precept's Inductive Bible Studies cover it all, at every depth.

### Ask God to reveal Himself and His will to you through your study of His Word.

Only God can reveal Truth to you accurately through His Word. Seek His guidance and blessing and then you're ready to begin!

### Hoe weet Jy God is Jou Vader?

Wanneer mense wonder oor waar hulle die Ewigheid gaan deurbring, hoop meeste dat hulle Hemel toe sal gaan, terwyl ander dit eenvoudig as vanselfsprekend aanvaar. Eerder as om daarvoor te raai of om dit net so aan te neem, kan jy in die brief 1 Johannes 'n duidelike antwoord vind oor jou verhouding met God. Wanneer jy leer hoe die leefstyl van 'n mens die karakter van die een aan wie hy behoort weerspieël - God of die duiwel - sal jy ook weet wat dit beteken om in die Lig of die duisternis te wandel.

Hierdie insiggewende studie sal aan jou sekerheid, vreugde en vrede gee.

## Turning Your Heart Toward God

This study of the Beatitudes teaches what it means to live a truly blessed life. In his well-known Sermon on the Mount, Jesus identified certain attitudes that bring God's favor: weeping over sin, demonstrating meekness, hungering and thirsting after righteousness, showing mercy, nurturing peace, and more. Some of the phrases have become so familiar that we've lost sight of their true meaning. This fascinating study guides readers into a new understanding of what it means to be blessed by God and how to align their hearts with His priorities.

Workbook #22080 | 6 weeks | R50.00

## Understanding Spiritual Gifts

## Pastor Resources

The Bible gives us a glorious picture of how the body of Christ functions when believers are in a growing relationship with the Lord. But churches today are often spiritually handicapped by Biblical ignorance forcing pastors to focus on disputes and logistics rather than "equipping the saints" and "building the body." Consider how your church and even your community might change if believers were actively engaged in Bible studies that equipped them to find their place of service. Precept Ministries exists to come alongside churches by offering inductive Bible studies and resources along with leader training that can effectively grow a struggling church into a vibrant and maturing body. Join Precept Ministries South Africa on a tour through the Holy Land. See the words of the prophets, Jesus, and the Apostles come to life as you study the Word at the very sites where it was written. Bible study will take on a new dimension as you experience firsthand places like the Garden of Gethsemane, and the valley of Megiddo - the biblical site for Armageddon. What greater way to understand the significance of the writers' words and the cultures they impacted. These study tours feature daily teaching at significant locations, top accommodations, and an experience only Precept can offer. Visit [www.precept.org.za/Israel](http://www.precept.org.za/Israel) for upcoming tours.

## Mobilizing An Army

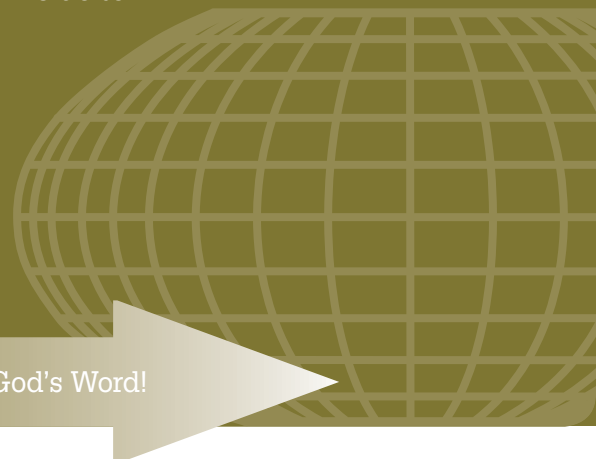

Over the last 40 years, we have trained hundreds of thousands of Precept Inductive Bible Study Leaders. Now that's a Word-energized army and we are mobilizing!

We are building the leadership framework as well as developing the resources, technology and training needed to mobilize so that we can establish more and more people in God's Word. When a Precept Trainer or Bible Study Leader invests in one new Bible Study Leader and equips them to disciple others, the results are truly amazing. If that new Bible Study Leader begins a new Precept Bible study and raises up two new Bible Study Leaders from that class who also become trained to disciple, in just five years, 210 people will be studying the Word of God for themselves. There's power of one life changed.

## Bible Study Leaders Needed!

Do you long to share God's Word with others?

To take them beyond a surface-level understanding of Scripture and build up spiritually mature and equipped believers? If this is your heart, then it resonates with the heartbeat of Precept Ministries—to establish people in God's Word. You can join with us in fulfilling this mission by leading a Precept Upon Precept Bible Study in your area. And as you utilize your gifts, you will be awed at the blessing of leading others to discover Truth for themselves. Additionally, we offer training workshops to prepare you to lead effective discussions, handle difficult subjects, disciple your students, and navigate the logistical details of setting up a successful class. Visit [www.precept.org.za](http://www.precept.org.za) or call +27 (0)21 531 1836 for information about how you can become a Precept Bible Study Leader.
