

THE PRECEPT POST

PRECEPT SA TOUR OF ISRAEL is coming March 2010 ! Walk where Jesus walked. Study where the disciples were taught. Join Precept Ministries South Africa, United Kingdom and Singapore for our Israel Study Tour and be prepared for an inside-out transformation. Experience the Garden of Gethsemane. Cross the Sea of Galilee. Look across the valley at Megiddo. These places are

already so much more than places on a map. For the Christian on an inductive study tour with Precept Ministries, these locations open windows into our

understanding of Biblical context. They connect us in a tangible way to our God and His pursuit of His people. Join us - but get ready. *When you study the Word of God, in the land of God, your life will never be the same again.*

Intentionally making disciples is a focus for Precept Ministries worldwide now, more than ever before. With so many people in the world looking for answers and searching for truth, we can

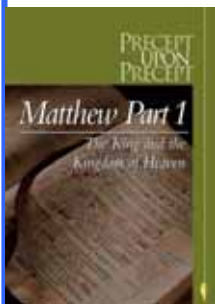

no longer sit idly by while they grope in the darkness. Gone are the days where we complete one Precept course after another without reaching out and discipling others. We are so passionate about people discovering truth for themselves through Inductive Bible Study but it can't and never should end there. Won't you go before the Lord in prayer and ask Him who you could disciple using the Precept material. If your life has been changed through inductive Bible study, why not give others around you the opportunity to be radically impacted too? Many of our studies require no training for leaders and minimal time commitment. We want to make it as easy as possible for people to get into the Word of God to discover Him, go deeper in their relationship with Him and disciple others.

Lives Changed by God's Word

My friend invited me to the Bible study. I agreed to go which was odd because of where I was at in life and with God. I told her how I didn't even own a Bible. The next day she arrived with a Bible, pens and the Precept Romans study guide. I was in a very bad space, confused, depressed and felt hopeless. I was angry at God, so much so to the point that I had thrown away every Bible I owned, and anything I had in my home that represented God. Through the Bible study I started to learn the promises of God and the joy of my salvation returned. I started to build a foundation, something I realized I didn't have. I started to accept the love of God. He worked His way to soften my hard heart and bring me back to Him. I would often be doing my homework and would ask my husband, who was also far from God at that time, questions, and would tell him about these truths I was learning from Bible study. Which in turn stirred his heart, and also brought him back to God. As a family, we are all now back at church, going to home cell every second Wednesday, and growing in our relationship with God. Our hearts are being healed, and God is restoring. My days are no longer dark and hopeless, but filled with the goodness of God. I want to thank you for your Bible study, through your obedience to God and love for Him and His people it brought a lost soul, and her family back to their Shepherd.

If you would like to partner with us to see more lives changed, please contact us at the office.
