Romeine Deel 2 - Bevry van die Mag van Sonde (9 lesse) (Hsft. 6-8)

Bevry van die skuld en mag van sonde, maar wat van die vlees? Ontdek hoe regverdiging deur die geloof ons daaglikse wandel deur die krag van die Heilige Gees beïnvloed – die ongelooflike proses van heiligmaking.

THE PRECEPT POST

"In my travels, I have seen many things but one thing that I cannot escape is the cry of Africa, it's resounding in my heart. I have seen the hunger of the people, not just physical hunger, but a spiritual one – a deep hunger for God's Word, for the true bread of life. I can no longer ignore it, but I can't meet this need alone. I need your help. The people of Africa are crying out to know God more through His Word. Can you hear them? Will you respond?" – Stuart Kemsley

Stuart, his wife, Teresa, and their three boys feel the Lord leading them to expand Precept Ministries in Kenya in 2010. Our heart, as a ministry, is that they travel to Kenya and over a 2-3 month time frame, expand the work there. Stuart will be training pastors, raising up leaders, conducting training, introducing local churches to our resources and setting up a structure for Precept Kenya. We want to create a legacy for the people of Kenya, to see a nation that knows God and makes Him known. It is our time and we must do something. It's up to us, the people in Africa, to reach out to the people of Africa. Won't you be a part of touching hearts and changing Africa, one life at a time, through inductive Bible study? We need to do something and we believe the time is now.

You can make a difference in countless lives, right from where you are. Your partnership can turn this God sized vision into a reality!

Here are some of the larger expenses that need to be covered:

- Flights to Kenya (perhaps you have some frequent flyer miles you can donate?)
- Accommodation
- Transport while in Kenya
- General office expenses

Won't you prayerfully consider what part you will play in this momentous project of establishing Kenyan people in God's Word?

“The Problem with Evil” - Student Conference

We are so excited about this Teen conference! We will be looking at the book of Job in a Bible study where you will see God’s sovereignty over evil and suffering, a mission to confront evil and suffering in the world, and hope - that suffering is only for a time and an eternal reward awaits. We will be having times of praise and worship, small group discussions, games and food, and of course, a lot of fun! The conference is open to all teens, 13-18, and our mission is to point them to God’s Word for answers to life’s tough questions.

How can God coexist with all of the evil and suffering we see in the world?

It’s a question that many are afraid to ask, and one that those who deny the Christian faith use to attack the church. Does God really exist at all? If He does, then is He just not strong enough or good enough to stop the horrors that we see?

Don't be afraid to ask the question, God has an answer!

NEW! - Precept Summit

We will be visiting every major city, every year and offering strategic seminars and workshops. This will help to introduce new folks to the ministry, allow us to connect with our donors and potential donors, equip our existing leaders and raise up new ones. We will be doing an Intro to Precept & the In-

ductive method, an Intro to the 40-Minute Series, a Partnership Dinner, the Precept Leader Training and a Leaders Evening. A few weeks later, we will be offering the Basics of Precept Upon Precept training and will encourage all those newly discovering Precept to attend. We are very excited about the possibilities this new approach brings and will be sending out flyers to everyone on our mailing list prior to each Summit.

For details on Bible study groups, workshops and events, please contact the representative in your area.
